

Story Sense Class Leader Vacancy

We are currently looking for a lively and enthusiastic class leader to join our Story Sense team working within the Exeter area during term times only. This is a fantastic opportunity to be part of a child's first years, watching them learn through facilitated play with their parent or guardian. This job requires someone who will go the extra mile to make each class special. You will be setting up new locations. You will be required to collect equipment from me in Paignton ready for your next week of classes.

Hours

As this is a self employed role, you will be able to choose the days and hours you want to work. Locations are also flexible on setup. You are able to increase your hours (or decrease with notice) if needed. Classes all have a minimum number of parents and children to run and if classes do not hit this quota, they would be cancelled.

Pay rate: £11 per hour (hours include set up and clear up of sessions but does not include travel expenses).

If you can answer yes to these questions, this role could be the one for you.

- Are you a confident individual who can lead from the front and be centre stage?
- Are you hard working and motivated?
- Are you approachable?
- Do you work well under pressure?
- Can you drive?
- Do you have a great sense of humour?

As a class leader, you will deliver weekly 45 minute long classes from detailed lesson plans and facilitate a range of sensory activities. In return, I will ensure you have adequate equipment to run the classes and ongoing support from me. Classes will be new in these areas so they may begin small and grow throughout the first few months.

When will the job begin?

You will be running your own classes from January 2023 with training taking place during November and December for 6 weeks (1 day a week).
